

US Army Corps  
of Engineers

# Mississippi River Partnering Conference

**Regal Riverfront Hotel  
St. Louis, Missouri  
15-17 June 2000**

**Hosted by the  
U.S. Army Corps of Engineers  
Mississippi Valley Division**

## **Objectives**

- Develop action/agenda items that address the needs and opportunities related to water resources in the “Mississippi River Valley”
- Continue to promote understanding and cooperation through partnerships among all parties in the “river corridor”
- Interact with the Congressional Members and Staff of the Mississippi River Caucus

## **Major Activities**

Congressional Speakers, Panel Discussions, Interactive Sessions, Banquet, Spouses Program, and more

## **More to Come ...**

Details about the Mississippi River Partnering Conference and registration material will be mailed in early April 2000. Mark your calendars now and plan to attend.

***“River of Dreams”***
